Cyber Bullying

1. Does your organisation have a cyber abuse or cyber trolling/bullying or social media policy - or a related policy such as Bullying and Harassment or Internet Usage - where cyber abuse or cyber bullying is mentioned? if so can I request a copy? **We do mention bullying via social media in our Dignity at Work Policy.**
2. Have any staff at your organisation (names or specific details are not needed) - been disciplined or suspended, or their employment terminated due to anything related to cyber abuse, social media conduct, cyber bullying, internet usage, or bullying and harassment by electronic means in the last 3 years? **We have not disciplined or dismissed anyone in relation to cyber abuse or bullying in the last 3 years. We have investigated issues that may have included social media but no suspension or formal disciplinary action has been taken. Our Trust has a strict internet policy with most sites blocked including social media.**
