

FREEDOM OF INFORMATION RESPONSE**FOI 3474****Drug formulary**

I'm getting in touch today to enquire when the review dates are for the following classes of drugs within the [Worcestershire Joint Medicines Formulary](#)? All three classes are included in the Endocrine system.

- SGLT-inhibitors
- DPP4-inhibitors
- GLP-1 agonists

Please contact South Worcestershire CCG who manage the formulary on behalf of the County.
