

FREEDOM OF INFORMATION RESPONSE

FOI 3407

Cancelled inductions

Could you therefore tell me the number of inductions that were cancelled between the 5th November 2015 and 5th January 2016. Compared to the same period in 2014/15 and 2013/14.

We are unable to answer your question as we do not collect this information. We would have to review the induction diary which would only indicate if the induction date was changed. We would then have to review every single set of notes to determine whether that was by choice or through a clinical reason. This review of notes would exceed the limit for FOI requests (18 hours) so we are using an exemption under section 12 of the FOI Act (cost).
