FOI 3410

Nursing agencies

Under the Freedom of Information act 2000 I would like the names of all recruitment agencies you have used to recruit temporary nursing staff since 23rd November 2015.

| Agency |
|---------------------------|
| Flame Lily |
| Imperial Staffing |
| M S I Recruitment |
| Medacs Healthcare |
| Nursing Personnel |
| Nursing Services Uk |
| Pulse |
| Thornbury Nursing Service |
| Day Webster |

I would also to know how many shifts filled since the pay caps were introduced have fallen outside of Monitor guidelines. *There were 1469 shifts reported on the Agency Cap Override return for Nursing Shifts from 23rd November to 17th January.*
