**Drug related deaths**

---

I would like to know the number for the amount of drug related deaths in Worcestershire in 2017 so far - if you don't have all of these, then I would like to know the number of drug related deaths in Worcestershire for the months of 2017 that you do have.

We do not have the records of all deaths in Worcestershire, drug related or not. May I suggest you contact the County Council? The public health department may be able to help you. The email address is
