

PATIENT INFORMATION

**COMBINED GASTROSCOPY AND
COLONOSCOPY/FLEXIBLE
SIGMOIDOSCOPY**

Your procedure has been performed by: _____

You have been given sedative drugs to make you feel drowsy for your procedure, it is important that you rest quietly for the remainder of the day, with someone to look after you for 12 hours, as you still be affected by the sedative drugs for up to 24 hours.

Sedation can impair your reflexes and judgement. It is advisable to have the following day off work but in any event for the first 24 hours following sedation

DO NOT:

- Drive a car
- Drink alcohol
- Take sleeping tablets
- Operate any machinery or electrical items – even a kettle
- Sign any legally binding documents
- Work at heights (including climbing ladders or onto chairs)
- You may have been given Buscopan during your procedures your nurse will inform you of this, Buscopan is a muscle relaxant. In rare circumstances this can cause problems with your **Eyes During the 24 hours following your procedures**
- If you have any of the following symptoms; Pain, Soreness or Visual Impairment that is abnormal for you. **“YOU MUST SEEK MEDICAL ATTENTION IMMEDIATELY”**

COLONOSCOPY or FLEXIBLE SIGMOIDOSCOPY

During the procedure we had to inflate your bowel with air. Most of this air will have been removed at the end of the procedure; however it is usual to feel some discomfort for the remainder of the day. If this fails to subside, or gets worse, or becomes persistent please see the contact information below

If biopsies have been taken, or a polyp removed, it is common to experience a small amount of blood loss following the procedure. If this is persistent or excessive, (an egg cup full or more) please see the contact information below.

You may return to eating and drinking as normal after the procedure. It is usual to experience loose bowel actions for approximately 24 hours following the procedure, due to the laxative taken to cleanse your bowel. If you experience black tarry stool please contact your GP

GASTROSCOPY

You may have a sore throat for a short time after the procedure. This is normal and should pass within a day. If you experience any of the following symptoms in the 24 hours after your procedure, please see the contact information below.

- Severe neck or shoulder pain
- Shortness of breath (*that is not normal to you*)

- Vomit any blood (*equivalent to an egg cupful*)
- Difficulty swallowing (*other than because you have a sore throat*)
- A high temperature

Patient Experience

We know that being admitted to hospital can be a difficult and unsettling time for you and your loved ones. If you have any questions or concerns, please do speak with a member of staff on the ward or in the relevant department who will do their best to answer your questions and reassure you.

Feedback

Feedback is really important and useful to us – it can tell us where we are working well and where improvements can be made. There are lots of ways you can share your experience with us including completing our Friends and Family Test – cards are available and can be posted on all wards, departments and clinics at our hospitals. We value your comments and feedback and thank you for taking the time to share this with us.

Patient Advice and Liaison Service (PALS)

If you have any concerns or questions about your care, we advise you to talk with the nurse in charge or the department manager in the first instance as they are best placed to answer any questions or resolve concerns quickly. If the relevant member of staff is unable to help resolve your concern, you can contact the PALS Team. We offer informal help, advice or support about any aspect of hospital services & experiences.

Our PALS team will liaise with the various departments in our hospitals on your behalf, if you feel unable to do so, to resolve your problems and where appropriate refer to outside help.

If you are still unhappy you can contact the Complaints Department, who can investigate your concerns. You can make a complaint orally, electronically or in writing and we can advise and guide you through the complaints procedure.

How to contact PALS:

Telephone Patient Services: 0300 123 1732 or via email at: wah-tr.PALS@nhs.net

Opening times:

The PALS telephone lines are open Monday to Thursday from 8.30am to 4.30pm and Friday: 8.30am to 4.00pm. Please be aware that a voicemail service is in use at busy times, but messages will be returned as quickly as possible.

If you are unable to understand this leaflet, please communicate with a member of staff.
