

## EVESHAM THEATRE

Evesham Community Hospital has one day surgery theatre, providing a day surgery service for patients undergoing general surgery, gynaecology, oral surgery, urology and pain procedures.

The theatre provides a surgical service between Monday and Friday and has a dedicated team of theatre practitioners and support workers led by a Theatre Team Leader and supported by the Clinical Theatre Manager at Worcestershire Royal Hospital.

As a registered practitioner in theatre, you will care for day surgery patients undergoing a variety of surgical and endoscopic procedures throughout their perioperative journey as an:

- Anaesthetic practitioner
- Scrub practitioner
- Circulating practitioner
- Recovery practitioner

As a support worker in theatre, you will assist the registered practitioners with perioperative care

All members of staff in theatre receive mandatory Trust training every year and there are a wide range of e-learning modules for all staff to complete and opportunities to complete training to support their individual roles

Our aim is to create Gold standards of care for every patient through the 6 C's:

- **Care** – Caring is what you should be about. You must be committed to helping patients through every stage of their illness treatment
- **Compassion** – You must be empathetic and able to treat patients with respect and dignity when delivering their care.
- **Competence** – You must be willing to participate in education and training to enable you to deliver effective care and treatments
- **Communication** – You must possess excellent communication and listening skills

- **Courage** – You must be able to welcome change & new ways of working to benefit our patients
- **Commitment** – by being committed to your work you will ensure patients receive excellent care and experiences of our health care service.
