								To date, I have not undertaken any face to face	
								private work at a private facility. I do however	
								undertake teledermatology (virtual) work from	
								home for NHS services in Wolverhampton	
								provided by Circle. This is invoiced to my ltd	
								company and completed either in the evening or	
								at weekends (whilst flexibly agreed depending on	1
								the service need each month, I currently do a	
								telephone clinic on Monday evenings 17.30-19.00	D
								and Saturday morning 8.30-11am). I also have a	
								personal website which facilitates the option to	
								set up a secure private video consultation for skir	n
								problems but I have not undertaken any	
								consultations as of yet due to lack of any demand	i
